Summer break assignment (Vacations 15.5.17 to 30.6.17)

Hello Kids,

Wishing you a very happy holidays. We hope you will enjoy your summer breaks by having fun and also doing creative things. However, we should not forget our basic aim also during this period i.e. academics. Hence in order to keep you in touch with studies we have planned activity based assignments for your overall development.

Do your assignments on regular basis by your own so that you learn something while doing which is the purpose of these assignments. You should keep in mind the following notes while doing the holiday's assignments.

Notes:-

1. Do all the assignments on plane A – 4 size sheets or as per instructions given in assignments and submit in a Folder. Write your name, class and section on the first sheet. You can paste ruled papers on the plain sheets for writing , if you are not comfortable to write on plain sheets.
2. Revise all the work done in the books and note books for Periodic test – I.
3. Watch any informative English channel of your choice for one hour daily to improve your general knowledge and English language.
4. It may be noted that the office of the school will remain open throughout the summer vacation. You are welcome to visit the school on any working day for payment of fee or any other official work during normal Working hours. Summer break assignments are enclosed.
