Holiday Homework (Summer Break)
Class - VIII

Dear Parents,

Summer brings with it the ever smiling sun, fresh breeze, blossoming flowers and HOLIDAYS!

Holidays are the time for the parents to become teachers and friends! Vacations help to rejuvenate your child and develop an everlasting bond between you and your child by devoting your precious time towards him/her.

Allow us to facilitate you to help your child explore his/her environment. Make optimum use of this time to cultivate your child's interest in co - curricular activities. Have fun with family and friends.

HAPPY VACATIONS

GENERAL INSTRUCTIONS

1. Start the revision as per the syllabus which is scheduled from April onwards.
2. Written Homework is to be done in the Weekly test notebooks and further as per the instruction & guidance given by the subject teacher.
3. The child will be assessed for the Handwriting, presentation, neatness, completion of all the given question, indexing of the work.
4. Charts, Presentations and Projects must be labeled properly indicating very clearly the Name, Class, Roll No and Subject.

Parents can be the facilitators for the child at home but let the child complete his/her work independently & in his / her own handwriting.
