### Tier-III: Skill Test/Typing Test – SSC CHSL Exam Pattern

The Tier-III skill test/typing test is qualifying in nature and does not carry any marks. The details are as follows:

1. **Data Entry Operator (DEO):** Candidates should have a speed of 8,000 Key Depressions per hour on the computer.
2. **Lower Division Clerk (LDC)/Junior Secretariat Assistant (JSA):** Candidates should have a typing speed of 35 words per minute in English or 30 words per minute in Hindi.
3. **Postal Assistant (PA)/Sorting Assistant (SA):** Candidates should have a typing speed of 35 words per minute in English or 30 words per minute in Hindi.

**Important Points:**

1. The final merit list for the SSC CHSL examination is based on the performance of candidates in Tier-I and Tier-II.
2. Tier-III (Skill Test/Typing Test) is of qualifying nature, and candidates must secure the minimum required speed to be considered eligible.
3. Candidates are required to bring their own typewriters for the skill test, and typewriters are not provided by the examination authorities.
4. The Tier-I examination is objective in nature, while Tier-II is a descriptive paper where candidates need to write essays and letters.
5. Candidates must adhere to the specified time limits for each section of the examination.

It's important for candidates to understand the SSC CHSL exam pattern thoroughly to prepare effectively for each tier of the examination. Additionally, they should refer to the official SSC CHSL notification for the specific year they are applying for to get the most up-to-date information regarding the examination.
