

**North Ex Public School**  
**Subject- EVS , class IV, (2020-2021)**

**Revision of chapters- 1 , 2 , 3 , 4 and 5**

**WORKSHEET NO. 7**

Q1. Give difference between single parent family and joint family.

--	--

Q2. Write any 3 ways in which we can protect skin and tongue.

--	--

Q3. Define aquatic animals.

---

---

---

Q4. Define photosynthesis with diagram.

---

---

---

Q5. State any 2 types of forests.

---

Q6. Fills up.

1. \_\_\_\_\_ is the largest sense organ.
2. \_\_\_\_\_ is a group of people which stay together.
3. \_\_\_\_\_ animals live on both land and in water.
4. \_\_\_\_\_ system is found above the ground.
5. \_\_\_\_\_ forests' trees are conical in shape.

Q7. State true or false.

1. In single parent family we live with our parents , uncles and aunts. \_\_\_\_\_
2. Tongue has different taste buds. \_\_\_\_\_
3. Earthworm respire through their skin. \_\_\_\_\_
4. Mangrove forests are found in desert.

Q8. Draw a diagram of a tongue and state its 4 taste buds.

### ANSWERS
