15. Summarize the following paragraph in three to four lines:

18. Paragraph : Extra Curricular activities play a vital role in the overall development of an individual. Besides the academics, a curriculum ought to focus on giving appropriate weightage to extra curriculars. It could include a range of activities like dancing, singing, playing a musical instrument, debating, dramatics, etc. Students not only have fun doing them but it also improves their confidence and communication skills. They also help you get admission in higher education colleges. Hence, extra curriculars should be encouraged in school education.
