School Block, Jain Nagar, Sector-38, Rohini, Delhi– 81
PERIODIC TEST 1 (2023-24)
SUBJECT – English
CLASS - VI

M.M.: 25 marks

TIME: 1 HOUR

General Instructions:

(i) The question paper comprises three sections A, B, C . There are 9 questions in the question paper. All questions are compulsory.

(ii) Section–A - question no. 1 carries 5 marks.

(iii) Section–B – question no. 2 to 6 carries 2 marks each.

(iv) Section–C - question no. 7 carries 2 marks, question no. 8 carries 4 marks.

(v) Section–D – question no. 9 carries 4 marks.

Section A

Q1. Read the passage and answer the questions.

Solomon was famous for his wealth and wisdom. Queen Sheba came to test his wisdom. One day she came to his court with two garlands of beautiful flowers which looked alike. Standing a little away she held them up and said, "One is made of real flowers and the other is artificial. Tell me which is which."

Solomon remained silent for some time. Then he told his servant to open the window. It was opened. Soon the bees came into the room and flew to the garland of real flowers in her right hand. Then he replied, "The flowers in your right hand are real."

Questions:

1. What was Solomon noted for?
2. Why did Queen Sheba come to his court?
3. What did she bring?
4. What did he tell his servant to do?
5. How did he know which were the real flowers?.

Q14. Describe the ways in which oneness of India gets reflected.

Section D

Q15. Inscriptions were written on rocks, pillars, walls of important buildings, and even metal sheets. Inscriptions were writing that held some religious or administrative significance. Sometimes, a king would mention his personal achievements in inscriptions.
The study of inscriptions is called Epigraphy. Epigraphy is an important source of Indian History as inscriptions cannot be altered or manipulated. Many inscriptions are still intact and, therefore, are a reliable source of history.
During the rule of Ashoka, many inscriptions were issued. Ashokan inscriptions have helped to Reconstruct the history of the Mauryan period.

Based on above passage answer the following questions:

i) What are Inscriptions?
ii) What does kings mention in the inscriptions?
iii) Write any one importance of Ashoka's Inscriptions?
iv) What is Epigraphy?
v) Why Epigraphy is an important source of Indian History.

Q16. Kerala is a state in south India surrounded by hills on one side and sea on the other side. It is characterised by a dozen shades of green and blue due to its lush green vegetation and abundant rainfall.

In the previous times, it was renowned for trading spices with Jewish and Arab traders. It is home to Muslims, Jews, Christians, Hindus and Buddhists. The two major occupations in Kerala are fishing and agriculture. Rice is a staple crop of Kerala. Thus, the diet of people in Kerala includes rice, fish and vegetables. It is also famous for its annual snake boat race.

Based on above passage answer the following questions:

i) Name any one South Indian state?

ii) Why Kerala is characterised by a dozen shades of green and blue?

iii) What are the main occupations of people of Kerala?

iv) Name any two religions followed by people of Kerala?

v) What is the staple food of Kerala?
