21. Write a precis of the following passage and give a suitable title to it :

Pomegranate is full of digestive juices and vitamins. It is available throughout India. It is of two types : sweet and sour. Its fruit, flowers, root and juice of fresh soft leaves can be used as home remedies. Juice of ripe pomegranate functions as an appetizer. It regulates the digestion of food and also kills the stomach worms. It provides energy to the body. Juice of pomegranate cleans the digestive system. In case of loose motions, powder of the fruit peel or juice of soft leaves is beneficial. It cures anaemia and improves the levels of iron and haemoglobin in the blood.

Or

The chimpanzee's food includes fruit and leaves which it chews well before swallowing it. But in Tanzania scientists have seen chimpanzees sometimes swallowing the leaves of a plant called Aspilia without chewing them. The plant contains a red oil which acts strongly against certain bacteria and parasites and the scientists are of the view that swallowing the leaves without chewing ensures that the medicinal content of the leaves remains intact until it reaches the intestine where the parasites are lodged.

22. Read the following passage carefully and answer the questions given below it :

India has been making considerable progress in space sciences in the recent past. This has been made possible with the dream of Dr. Vikram Ambalal Sarabhai. He is considered as the founding father of the Indian Space Programme. Dr. Vikram Sarabhai was born on August 12, 1919. Initially he thought of continuing his family business. However his interest in Maths and Physics drove him towards higher education. He received Ph.D. from Britain and returned to India. He established the Physical Research Laboratory in Ahmedabad. Later his interest in space sciences grew and he continued his research in the field of space. India's first artificial satellite 'Aryabhata' was the result of the effort put in by Dr. Vikram Sarabhai. His greatest achievement was the establishment of the Indian Space Research Organization (ISRO). This great scientist passed away on December 31, 1971.

Question (any four)

(i) When was Dr. Vikram Sarabhai born ?

(ii) Write the full form of ISRO.

(iii) From where did he receive Ph.D.?
