Mr. Daniel Holder, President

Metropolitan Insurance

17 Quaker lane

Warwick, 02018

Dear Mr. Holder,

I am writing this letter to let you know how mad I am with your service.

In Feb. 2000 my car a Dodge Carava was in an accident. The other person had no insurance. Metropolitan told me that I did not have collision on that car but had it on my other car. When I registered all four cars they were to have the same coverage with the exception of the transAm. It had a different deductible.

On Monday, July 21, 2000, my daughter received a notice that her collision was canceled. The insurance was changed over to her name on June 2. At that time no one notified me that pictures had to be taken of her car. (Since then we took a photo of her car, but as of this date her collision has not been added.)

On the same date (July 21) I called your 80 number and talked to about six different people who gave me six different answers. I finally talked to a Susan Finneran. She went over every option with me for all four cars and changed them to be consistent.

My agent is Anthony in Boston whom I can get nowhere with. He is never there or never returns my calls so I would rather deal with the 1-80 number. I am requesting that Susan be my agent for my insurance needs.

I will never put up with so much hassle again as I did that day. (It took over three hours to get to the right person) Next time I will cancel all policies and go elsewhere. If it were not for Susan, I would no longer be your client. I feel that praise to Susan is in order for her outstanding performance.

Sincerely,

Wilson
