1. Read the following passage and answer the questions given below it :

Now we all live in a big house which we call our native country. We have each of us been given, some one rupee, some two rupees, some three rupees and some four rupees. These rupees are not rupees with which we can buy things, but they are different powers, we have been given. Each of us, has powers of body, powers of mind, powers of character. Each of us, has strength, time, intelligence, which can be used. As we leave school and go out into the world, we are tested as to how we are going to use these talents which we possess. Are we going to use them to buy useless hay, or are we going to use them to spread light throughout our house, that is, our country ? If we

are going to be good citizens then we shall use our powers and abilities to try to spread light into all parts of our country that is, we shall spend ourselves in the service of our country.

- i) What different powers have each of us been given? 2
- ii) How can we serve our country as good citizens? 2

2. Answer *one* of the following questions in about 60 words : 4

15. Read the following passage carefully and answer the questions set thereon :

A good transport system is very essential in the world today. The word 'transport' means carrying of people and goods from place to place. Millions of people travel from place to place everyday, all over the world. They travel over the land, on the water, through the air, under the ground and even into the space. People travel to service, business, sight-seeing and to meet other people. A good transport system is very important for the progress of agriculture, mining and industry. It is absolutely essential during the war,

famine or floods. All means of transport have made travel comfortable, convenient and fast.

i) What does the word 'transport' mean ? Where do millions of people travel everyday ? 3

ii) What are the areas that need better transport system for their growth ?
